

## RRMGC MEMBERSHIP RENEWAL

Welcome prospective renewing and new members,

Thank you again for your renewed or new interest in the River Ridge Men's Golf Club.

You may join our club at any time during the year. You will receive an SCGA handicap index, great camaraderie, and three club events each month.

SCGA will notify you when your membership is soon to expire. You will receive three notifications at two months out, one month out and seven days out. Renewing within that time period will not affect a change in your expiration date. If you renew after your expiration date, your membership year will begin on the date you renew and end 12 months later.

Yearly membership dues are as follows:

- 1) Regular membership - \$100 per year
- 2) Young Adult membership (ages 18 – 29) - \$60 per year and
- 3) Young Adult and Parent/Sponsor combo signup for \$120 for the two members per year. The sponsor does not have to be the parent or relative of the young adult.

Each membership is valid for the period of one year from the date of new application or renewal before existing expiration date.

The Board and I thank you for using the online membership signup feature. This website address <https://membership.scga.org/start/join/?cid=249> will take you directly to the online signup portal. Please note, mail-in applications are no longer available and will not be accepted.

We look forward to your participation.

Hit 'em long and straight,

Dave Brooks
