

River Ridge Men's Golf Club will be testing the use of optional **GOLD TEES** for our tournaments starting with the July 16th tournament.

RRMGC CRITERIA TO QUALIFY FOR GOLD TEES:

- **85-** The Player's **AGE + COURSE HANDICAP FROM WHITE TEES** must be equal to or be greater than 85.

EXAMPLE-

***NOT ELIGIBLE-** Player A is 60 years old and has a course hcp from the white tees of 10 ($60+10=70$, **less than 85**)*

***ELIGIBLE-** Player B is 70 years old and has a course hcp from the white tees of 18 ($70+18=88$, **greater than 85**)*

- If the player that qualifies for these criteria elects to play from the gold tees, they will be given a course handicap based on the gold tees.
- They will be obligated to inform the tournament director which tees (white or gold) they plan to play from when they sign up. Failure to specify will indicate competitor's intention is to play from the WHITE tees.
- Players will be required to inform TD of intent to play GOLD TEE before every tournament upon submission of entry.
- The player will then compete for all tournament prizes based on **flighting**
- The 1st tournament we will put the GOLD TEE option into effect will be July 16th (this option will **NOT** be available for the tourney on May 28th- everyone will play the combo tees).
