

## 2024 River Ridge Cup:

Modeled on the SCGA one day series; every time a player enters a monthly tournament, they will receive points. The accumulation of points is separate from flight winners for the tournament. A player can only receive points from one source for each tournament. All players will receive full points in team events.

See Table 1 for the distribution of points (Bimonthly tournaments or “Major Events” SCGA Best Ball Qualifier, Tournament of Champions, Club Championship).

See Table 2 shows the point distribution for the annual award.
